Geographical distribution of SuSanA-meetings since 2007
(2) SuSanA is a sounding board

SuSanA connects and brings together actors from the sanitation sector to communicate and debate in a neutral environment on issues related to sanitation.

- „Compendium of Sanitation Systems and Technologies“
- “Compendium of Sanitation Technologies in Emergencies”
- “Making WASH in schools more sustainable”, Volume I, II and III
- “The Heroes behind sanitation” to be launched today – more discussions around sanitation work(ers) to follow
(3) SuSanA contributes to the policy dialogue

- By supporting members and partners involved in policy dialogue at national and international levels through the provision of a discussion platform, facilitation of meetings and inputs generated from working groups.

- By including the different of constituencies - from small NGOs, universities to UN agencies and donors - into its discussions

- By allowing members of the sector to ultimately speak with one voice
(4) SuSanA is a working platform

- Through thematic working groups and regional chapters
