**How to reach the ARUWE office**

Our office is located off Rubaga road, in a place called Kabuusu. If you're driving from the city centre, take Rubaga road towards Kabuusu. Drive past the turn to Tal Cottages and take the next turn on your left. Our sign post with the acronym, ARUWE, is by that turn. Drive right up to the end of the dirt road and through brown gates that you will find open. The office is the building you see directly as you drive through the gates.

If you're using Masaka road, turn at Total Fuel Station, Kabuusu and drive towards the round about to Rubaga Cathedral. Our sign post is about 100 meters from the round about as you head towards the city centre.
